#### OMBRE & BALAYAGE

Join us for a fun day of free-form hair painting and balayage, in fashion and corrective applications. Learn how to re-create high fashion dimension without foiling! Latest hair-coloring trend!

#### FOUNDATIONS COLOR I & II - COLORANCE & TOPCHIC

This course is the starting point for anyone that is new to working with Goldwell haircolor. Covered in this program are the Topchic (2-10 series) and Colorance (Color-Balancing) systems, as well as all associated in-salon and at home support products.

#### FOUNDATIONS COLOR III - BLONDING & FOILING

The foundation for creating the perfect blonde shade is all about choosing the right product for your blonding service. This is paired with the perfect introductory program covering the fundamentals of foiling. Covered in the course are the Topchic Highlift Blonde Shades, the Goldwell Lightening Systems as well as Colorance for perfect toning. Learn how to make commercial foiling easy with techniques for sectioning, slicing and weaving - horizontal, diagonal and vertical placement are covered within quick and easy, creative services.

#### FOUNDATIONS ELUMEN

This program provides anyone that is new to ELUMEN with an opportunity to experience a technologically advanced, non-oxidative permanent coloring concept. Comprehensive instruction in Elumen High Performance Color in order to creating unique, exclusive salon services - fundamental Elumen technology, formulation, application and after care. All designed for achieving extraordinary color results for your clients.

#### FOUNDATIONS AMMONIA FREE

Join us in discovering ways to utilize Ammonia-free products to achieve the most fashion forward hair trends of today. Products including, permanent hair color, demi permanent hair color and ammonia free lighteners.

#### FOUNDATIONS COLOR RESTORE

Creating the perfect color palette is essential to the success of any professional color service. In this foundation color correction seminar, easy techniques for decolorizing too-dark hair and pigmented over-lightened hair are covered. This is the perfect seminar for anyone who is new to Goldwell and wants more knowledge on how to create perfect color results every time.

#### KERASILK KERATIN DEMO

Join us to witness the first customizable, long-lasting Keratin Smoothing System for salons. Introducing KeraSilk Keratin Line of hair transformation products - smoothing you can tailor to each client's specific needs! Hair like silk for up to 5 months with our New KeraShape Technology.

**INVESTMENT:** Complimentary to all Symbiotic Salons

**LOCATION:** Goldwell KMS California Academy located at 22 West Little 12th Street, New York
